Dear Parent:

In accordance with ESEA Section 1111(h)(6) *PARENTS RIGHT-TO-KNOW*, the Payson Unified School District is notifying every parent of a student in a Title I school that you have the right to request information regarding the professional qualifications of your student's classroom teacher. This information regarding the professional qualifications of your student's classroom teacher includes, at a minimum, the following:

1. Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria has been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the student is provided services by paraprofessionals and, if so, their qualifications.

If at any time your student has been taught for four or more consecutive weeks by a teacher not highly qualified, the school will notify you.

If you have questions, please feel free to contact your student's principal:
